Earthen AMBIENCE

EARTHEN AMBIENCE

WHERE YOU FEEL THE COOL; BREEZE ..
WHERE YOU HEAR THE SOUND OF THE
BIRDS ..
WHERE YOU SMELL THE FRAGRANCE OF
NATURE ..

Introducing boutique homes in the lap of nature ..

BOUTIQUE HOMES

surrounded by green ..

EARTHEN AMBIENCE is more than just a residential development

Here we dont just build homes , we build environments ..

Surrounded by green and the most of natural materials, the project is conceptualised to offer a calm and soothing experience, creating its own microclimate away from the busy hustle of city life .

SOMETHING FOR EVERYBODY . .

We believe in a wholesome living experience for all.

While we build intimate connected communities, we also take utmost care to make everybody feel at home with what one does and experiences.

Homes at earthen ambience are provided with ample spaces and amenities for one and all keeping in mind the everchanging lifestyles and work situations today. A clubhouse with a co working space, a library and gym are all a part iof the indoor amenities, while the swimming pool, Kids play areas and corners for the elderly allow for unwinding spaces for all.

Exclusivity

HOMES WITH GREEN GARDENS

Almost every home at Earthen Ambience is edged with a large private garden of almost 15 ft at its rear, giving it a feel of living in an independent villa. It also has a green skylit garden in the interior which forms an integral part of the home and can be experienced from all levels on the inside..
